

Parents and Teachers! Let us help you succeed with children's behaviour!

Are you concerned about your child's behaviour?

Would you like a more loving, respectful relationship with your child?

Do you ever yell, give time-outs or punish to get children to cooperate?

Would you like to learn some highly-successful, proven behaviour strategies?

Time to organise a special Speaking Presentation for parents and staff!

Time-out chairs, naughty mats, bribes, rewards and punishments—all frustratingly ineffective and highly problematic with today's children. Put simply, they don't work. In today's social climate, our children need more from us than simplistic rewards and punishments. What they need, is for their teachers and parents to be proactive and become skilled in behaviour management! This is where we can help!

Davina Sharry, Founder and Director of **Powerful Parenting Australia**, is an experienced Early Childhood Specialist and Senior Teacher employed by Education Queensland for over 19 years. Davina has spent many years passionately helping children of all ages achieve great results with their behaviour, and social and emotional development.

Co-author of 'Harmony in the Home' and author of the unique and highly effective parent-and-child training program '*Powerful Parenting –12 simple steps to behaviour success!*' Davina has firmly positioned herself as the trusted authority in the area of powerful preventative behaviour management, and is committed to giving parents the strategies they need for parenting success, and children the skills they deserve for life!

Parents and teachers greatly benefit from these powerful and highly successful strategies!

Help the children in your care learn to:

- Listen effectively; Cooperate; Be happier, calmer and more in-control
- Be responsible for their actions, self-managed and independent
- Problem-solve effectively with words, rather than actions
- Avoid oppositional, defiant or aggressive behaviours
- Replace anti-social or unconfident behaviours with socially-competent, emotionally-strong behaviour.

Regardless of the ages or behaviours you are dealing with, Powerful Parenting will cater to each child's individual behaviour needs, and will work!

Time to succeed with behaviour management so everything can benefit!

"I am truly appreciative of your program and what it has done for all our family. I am so proud of my son now Davina. With every day I see progress and it makes me cry." M.Collins

"We did the course at the Relaxation Centre of Qld. It was absolutely excellent. We gained so much out of those 2 hours and believed we instantly improved our parenting approach. We, of course, now wish to complete the entire course. Well done! The world needs you and your parenting techniques! Thank you!" Monica and Shane Caligiuri 2011

"We found the strategies and language techniques of the Powerful Parenting Program really wonderful! I have been recommending Powerful Parenting to everyone! I think it would be so beneficial for all educators to be involved in this insightful program!" Kelly Harte – Director Grosvenor Childcare Qld
